Hi Shane,

I was away from the office yesterday. Thanks for checking in. I will get back to you today, or as soon as possible, if we need more information. At this time, I cannot provide a timeline regarding when the public comment period will commence. Feel free to continue checking in.

Subject: Follow Up

Good afternoon Shaheerah,

Just a quick follow up to inquire as to the status of the PSD permit. I tried to call yesterday to touch base. I trust you have all the information you require. Can you give me any estimated timeline as to when we may see the PSD permit go to public comment? Let me know if there is any other information you may need.

Best Regards
